

***UPDATED* NOTICE**

Sections Your Streets Will Be Closed for Maintenance

Beginning 11/4/24

If weather causes a halt to the project, your streets may be required to be closed at a later date. If this happens, you will find the latest updates on the [Gables At The Terrace](#) web page or by going to www.pavemap.com

-- Garage and parking stalls adjacent to Construction area will be inaccessible During closure--

Pavecon will be performing street maintenance in your area. We ask for your cooperation during this process, we will be repairing asphalt throughout the Property.

At Pavecon, our goal is to complete this repair as scheduled with minimal inconvenience for residents. We strive for clear communication *before, during, and after* each project. Since asphalt maintenance requires dry, clean, and unobstructed conditions, it is imperative that residents comply with the following instructions:

Where Do I Park My Car?

- While your road is closed, you may park in an area outside of the work zone. No Vehicles will be allowed Work zone until the road is reopened. Please do not park within 50 feet of any road worked on.

What if my car is parked on a road that is closed?

- We will begin work at 7:30 am and vehicles will be allowed to exit the area up until 8:00 am. The streets being repaired will be closed from 11/4-11/7. If your vehicle is in a garage or stall that will be blocked by adjacent work, it will have to remain until the work is complete. If your vehicle requires relocating for work to be completed, it will have to be towed at owner's expense.

What if I drive on the road while closed?

- Please do not attempt to drive on the road while it is closed as this may cause damage to your vehicle and several thousand dollars of damage to the newly treated surface.
- **Should there be any injury or damage to person, vehicles or pavement surface for failure to follow the procedures set forth by Pavecon Ltd. Co. Gables Residential ,the Owner will be responsible for all damages.**
